

Dear parent/carers

I am delighted to tell you about an exciting opportunity for you and your child. The creators (Aardman Animations) of Shaun the Sheep and Wallace & Gromit are in Wolverhampton in January 2026 to run a workshop.

Details:

Focus: Drama Kids workshop where they will explore creating characters and storytelling, including voice, sound, movement, and the motivation of a character within a narrative. They will then create their new character out of clay under the watchful guidance of a professional Aardman modelmaker, who has personally worked on Aardman films and has been in the industry. They will create a storyboard, a background, and begin animating their character using Aardman's animation app with their animations.

Time: 14:00 to 17:15

Location: Wolverhampton Arts Centre Dunkley St, Wolverhampton, WV1 4AN

Yours sincerely
