

HTA/SHI

18th November 2025

Dear Parents and Carers,

I am delighted to tell you about an exciting opportunity for you and your child. With AI and Robotics becoming more prominent, there are great opportunities in these rapidly growing industries.

Moonpreneur, an organisation that is supporting students to develop skills in entrepreneurship and innovation, are running a free workshop to support both parents and children in improving their coding and robotics aptitude.

Details:

Date: Saturday 22nd November 2025

Time: Year 7 - 3.00pm to 4.15pm, Year 8 – 4.45pm to 5.00pm.

Location: Tameside Primary Academy Price Road, Wednesbury WS10 0EZ, United Kingdom

Technology: They require you to take a laptop with you to the workshop.

This table outlines what the workshops will focus upon:

Children's interactive workshop	Parent's information workshop
• Introduction to robotics and coding • Perform Hands-on exercises on robotics • Experience our teaching methodology • Meet other like-minded students in the workshop	• Experience the moment as you meet our young students • Gain insights into Moonpreneur's offerings with a detailed overview of the program • Network with other parents

You can register for a free place by visiting <https://moonhub.moonpreneur.com/mh/book-a-free-trial/in-person-wednesbury/robotics>

This is a fabulous opportunity and will further support your child in making informed choices in progressing onto a positive destination at the age of 16 or 18.

Yours sincerely

Mr H.S. Tamber
