

Dear Parent/Carer,

We would like to invite you to attend a Progress Evening with your child's subject teachers on **Thursday 22nd January**, between **4.00 pm and 7.00 pm**.

Appointments will be booked using the online platform **School Cloud**, which allows you to select and manage meeting times easily. Please use the link below to access the booking system and view the user guide:

www.coltonhills.co.uk/school-cloud

It is incredibly important that you attend the Progress Evening, particularly in Year 9, as the options process will begin shortly. Working together, parents and teachers can provide valuable support at this crucial stage of your child's education. Discussions during the evening will help you and your child make informed decisions about subject choices for next year.

Please note that you will only be able to book appointments with your child's class teachers. If you have any pastoral concerns or questions, we kindly ask that you contact the school directly so that the appropriate member of staff can respond.

In addition, there will be a Year 9 Options Evening held the following week on **Thursday 29th January**. This event will include an important presentation on GCSE and BTEC subject choices, designed to support further discussions at home. More information about this event will be shared shortly.

We look forward to your participation and continued support.

If you have any problems using the online school cloud, please contact me on
jbegley@coltonhills.co.uk

Yours sincerely

Mr. J Begley
Deputy Headteacher
