Dear Parent/Carers,

Hello, I'm Mr Booton, Head of Year 6 and Year 7 at Colton Hills Community School. Having been Head of Year 7 for the past three years, I have had the privilege of supporting hundreds of students as they make the transition from primary to secondary school. I know that starting a new school can feel both exciting and a little daunting, but it is also the beginning of a fantastic journey filled with new opportunities, friendships, and experiences.

I am delighted to say that our current Year 7 students have made an excellent start to the academic year. From their first day, they have shown enthusiasm, maturity, and a real willingness to embrace everything that secondary school has to offer. They have settled into lessons well and built positive relationships with staff and peers. Throughout the year, we will encourage our students to strive for excellence, develop their independence, and take pride in their achievements.

As a school, we firmly believe that strong partnerships between home and school are key to helping young people thrive. We look forward to working closely with parents and carers throughout the year to ensure every student feels supported, valued, and able to achieve their full potential. I am incredibly proud of the start our Year 7 cohort has made and look forward to seeing them continue to grow in confidence and achieve great success during their time at Colton Hills.

Kind Regards

Mr Booton
Head of Year 6 and Year 7
Colton Hills Community School
