Dear Parent/Carer,

As your child settles into life at **Colton Hills Community School**, we are keen to hear about their experiences during their first few weeks with us.

To help us understand how well students have adapted to secondary school and identify any areas where we can further improve their experience, we would be grateful if you could support your child in completing a short survey. Their feedback is extremely valuable and will help us ensure that all students feel happy, safe, and supported as they continue their journey at Colton Hills.

The survey should only take a few minutes to complete. We encourage you to discuss the questions with your child and help them provide honest feedback about their experiences so far. The survey can be found by scanning the QR code below or clicking the link. Please complete the survey Wednesday 30th September 2026.

By taking part, your child will be helping us to celebrate what is working well and make improvements where needed, ensuring we continue to provide the best possible experience for all our students.

Thank you for your support and partnership. We will be sending out a survey for parents in the next few weeks. We greatly appreciate your time and assistance.

Yours sincerely,

Mr D Gittins
Assistant Headteacher
Colton Hills Community School
