

JBG/SDA

Thursday 14<sup>th</sup> May 2026

Dear Parents/Carers

The school would like to invite you to a Progress Evening meeting with your child's subject teachers on **Thursday 4<sup>th</sup> June 2026**.

The time slots available are between 4.00 and 7.00 pm. We will be using an online platform called 'School cloud' to make the system of booking appointments as easy as possible.

It is incredibly important that you attend the Progress Evening, particularly at this stage of Year 10. They are about to complete their mock exams, so you will receive up to date information about their current progress, but also information about how they can make important progress ahead to this crucial series of exams. This is a perfect time to get feedback on their performance at this crucial stage of their GCSE course.

Students should now be revising regularly if they are to secure the best results they can in these mock exams, and this is a chance to speak to teachers about their current performance, and what else they can do over the next few months to secure success. What they get in these exams will determine what colleges and sixth forms that they can apply to and will also help decide their tiers of entry in Maths and Science especially.

If a student performs poorly in practice exams, they won't be considered for the higher tiers which will limit the grades they can get at GCSE. Therefore, strong performance and maximum effort is essential.

Please login to Schoolcloud and book your appointments and contact [jbegley@coltonhills.co.uk](mailto:jbegley@coltonhills.co.uk) if you are having any trouble in doing so.

You will only be able to sign up for appointments with class teachers. If you have pastoral questions or concerns, please contact the school, and the relevant members of staff will respond to you.

Yours sincerely

Mr. J Begley

Deputy Headteacher
