

Dear Sir/ Madam

I am writing to invite your child to participate in Unifest 2026, a summer program that takes place at one of the following universities: Aston, Birmingham City, University College, Birmingham, Worcester.

This is an amazing opportunity for your child to learn more about higher education and gain insight into what life is really like as a university student. They will engage in an exciting range of events, residential and non-residential, to inspire and motivate them to discover the full range of future options open to them.

The program is offered at no cost to you, however if your child is successful in gaining a place, but then does not attend or withdraws, or leaves an event early, or violates the code of conduct, there may be a dropout fee that you will incur.

This opportunity is exclusively for Year 10 students and other year groups are ineligible.

Please visit www.aimhigherwm.ac.uk/unifest to find out more. This link will also be where your child needs to go to make an application.

This is a fabulous addition to our careers program and will further support your child in making informed choices in progressing onto a positive destination at the age of 16 or 18.

If your child has any questions about this, ask them to visit me in the Careers Office (F56) and I will support them.

Yours sincerely

Mr. H.S. Tamber
