Dear Parents and Carers,

In our staff training day we spent time learning some more about AI Artificial Intelligence. As you will be aware we are working alongside the Big AI Project and the Good Future Foundation AI Quality mark scheme to ensure that our students and staff have access to resources to support them in their use of AI.

Students will be having time in form time working through some of the Big AI Project lessons and we have attached a parents and carers guide for you as well.

More information will be shared about our AI journey over the course of the year

Yours sincerely,

Ms Hunter
Headteacher
