Dear Parent/Carer,

RE: Work Experience Review

As part of our ongoing commitment to providing meaningful careers and employability opportunities for our students, we are currently conducting a review of our Work Experience Programme.

The purpose of this review is to understand what has worked well and to identify ways in which we can further strengthen and improve the experience for future students. As the parents/carers of current Year 11 students, your reflections are particularly valuable, as your child completed their work experience placement last year whilst in Year 10.

We would be very grateful if you could take a few moments to complete the short survey linked below and share your views on the programme. Your feedback will help us evaluate the effectiveness of our current approach and inform future planning.

Thank you in advance for taking the time to contribute to this review. The survey will close at 11AM on Monday 12th October. We greatly appreciate your support in helping us provide the best possible experiences for our students.

Kind regards,

Mr. Oxenham
