 STRATEGY PLANNING	Recognise it is possible to consciously select an approach given to solve a problem	Are aware of the main approaches that could be deployed	Choose an appropriate approach to solve a problem or address an issue	Choose the most appropriate strategy and be able to justify the approach	Use strategy planning independently as a way to solve problems or issues
 INTELLECTUAL CONFIDENCE	Begin to communicate own views based on experiences	Explain own views using examples and reasons	Present and justify own views using a diverse range of evidence	Evaluate the views of others and incorporate relevant evidence to construct persuasive arguments	Synthesise a wide range of viewpoints and evidence to make a coherent and compelling personal argument

Debate Day: Form Period Discussions

1. Look through the questions below and answer them silently in your head (2 mins)
2. Rehearse your answers with the person sitting next to you –full sentence answers (2 mins)
3. Now your Form Tutor will nominate students to answer – don't forget the word 'because'

1. How would you rate your contribution out of 10 in each debate? Why?
2. What stage did you get up to with Strategy Planning and Intellectual Confidence? How do you know?
3. What will you do differently next Debate Day?
4. Apart from during Debate Day, when else might these skills be useful?
5. What are you going to tell people at home about today?
