Dear parents,

**Re OCR Art and Design - Three-Dimensional Design - Externally Set Task 2026**

**Targeted letter of support**

I am writing again to let you know that your son/daughter is required to come along after school for the next few weeks to begin finishing off their Chair Design as well as completion of their tasks leading up to the end of April and beginning of May for the OCR Art and Design examination.

**Your child is not on track and has significant amounts of work to complete both using our IT for finishing off PowerPoint slides, as well as preparatory work and designs for the practical. Without work being completed each lesson and sometime prioritised outside of the lessons it is anticipated they may not attain their expected grade.**

Thursday 30th April and Friday 1st May (5 hours each day) is when your child will be creating their final design.

The following dates and times are when I will be available as the teacher of design and technology for your child to attend after school:

- Thursday 19th March 3-4.30pm
- Tuesday 24th March 3-4.30pm
- Thursday 26th March 3-4.30pm

***Following the two-week Easter break:***

- Tuesday 14th April 3-4.30pm
- Thursday 16th April 3-4.30pm
- Tuesday 21st April 3-4.30pm
- Thursday 23rd April 3-4.30pm
- Tuesday 28th April 3-4.30pm

A register will be taken each session. Please ask for your child to register and meet with me in the technology room at 3.15pm straight after I have completed my evening duty on the school front gates.

Thank you for your support.
