School Uniform

At Colton Hills Community School, we place a great emphasis on pride in our community. A visible indication of this is in the standard of students' uniform. We feel that a uniform instils a sense of shared identity, team spirit and support for the ethos of the school. Uniform goes even further than this, and allows students to be treated as equals, promoting cohesion and unity.

We have a number of reasons for adopting our dress code:

- Supporting positive behaviour and discipline, encouraging identity with, and support for, the school ethos.
- Promoting a strong, cohesive school identity that supports high standards and a sense of identity among students. If some children look very different to their peers, this can inhibit integration, equality, and cohesion.
- Ensuring students of all ethnic and religious backgrounds feel welcome.
- Protecting children from social pressures to dress in a particular way.
- Health and safety.
- Nurturing cohesion and promoting good relations between different groups of students.

All our students must wear the full school uniform as outlined in the uniform and dress code while attending the school. Uniform must be worn correctly at all times, this includes school activities on and off-site and when travelling to and from the school, unless other instructions have been given. All items should be clearly labelled with the student's name, school will not take responsibility for any lost items (see Appendix 1).

Return to wearing full uniform on days when your child has Physical Education

During COVID-19 and thereafter we accepted a more relaxed view on the days your child had physical education lessons. From September 2024 we will return to all children changing for physical education lessons. This will mean that all children will arrive and depart from school in full uniform.

Non-compliance with the School uniform policy

If your child is not in correct uniform including PE/Dance kit, parents/carers should send your child in with a note to explain why and students should visit their year team. Students will be asked to rectify the issue that is in breach of the school's uniform and appearance dress code as soon as possible. This will be carried out in accordance with the guidance identified below:

- Student's will be supported by school to correct the issue as quickly as possible, and where possible the school will provide the student the correct item for a temporary basis.
- Parents/carers will be contacted as soon as possible and asked to support their son/daughter and bring the correct item into school immediately or within a set timescale as agreed by Senior Leadership Team (SLT)/Year Team.

UNIFORM, APPEARANCE AND EQUIPMENT POLICY

- The Headteacher or a person authorised by the Headteacher, may instruct a student to go home briefly to rectify a breach of the school's expectations on appearance or uniform. Parents/carers will be contacted, and the student will only be sent home during school hours if accompanied by parent/carer or if the parent/carer gives explicit permission for the student to go home unaccompanied. When making this decision consideration will be taken of the student's age, competence, mode of travel, journey time and cost.
- Items of clothing that are not uniform will be confiscated and returned at the end of the day. If students persist in wearing items of incorrect uniform, then parents/carers will be required to collect the item/s. This includes items such as hoodies, caps, trainers on none PE/dance days.

Staff can discipline students for breaching the school's expectations on appearance or uniform. A breach of the school's dress code can lead to a detention or isolation depending on the issue or the number of times the issue has been raised. This includes when students are required to wear PE/Dance kit and if students wear PE/Dance Kit on days it is not required.

The school uniform policy is fair and reasonable and is in line with DFE guidance on school uniform and fulfils the school's obligations under the Human Rights Act 1998 and the Equality Act 2010.

SCHOOL UNIFORM AND DRESS CODE
